Behind every smile

WHEN THE SEQUEL IS BETTER THAN THE ORIGINAL

Welcome to the UHD+ era.

The next generation of our trusted resin, now replacing the original Centri™ Print UHD is here! Designed with upgraded formulation and enhanced performance, UHD+ delivers even sharper detail, improved mechanical strength, and greater consistency — all while maintaining the same unbeatable price point.

Centri™ Print UHD+ offers superior print quality and reliability that raises the bar on what you can expect from your 3D printing workflow.

Key features:

- ✓ Hugely increased strength
- ✓ Hugely increased elongation of break point
- ✓ Less brittle
- ✓ Viscosity change to reduce print failures
- ✓ New lighter grey colour
- ✓ Can be printed at 10 micron - incredible detail
- ✓ Will not delaminate
- ✓ New 5kg option - cheaper and reduces plastic waste
- ✓ 14 months of in-house development
