- ◆ Several design modules under **£100**.
- ◆ And now, for the first time, we can help you **design** every dental additive indication - not just print it.

See, touch, test and ask questions directly to the people behind the products.

Featuring partners such as:

...and many more dropping in at different cities.

There really is something for every technician.

Which city should the Grand Tour visit next? Let us know - you might see us sooner than you think!

A limited number of tickets are available for each date on a first-come, first-served basis.

TELL US WHAT YOU WANT TO SEE

We're shaping each stop of the Grand Tour based on what technicians tell us.

Want a specific workflow demo?

A tricky indication explained?

A particular material shown live?

Just tell us - we'll do everything we can to build it in.

GRAB YOUR TICKET, YOUR CPD AND A BARGAIN!

For **£30**, you're getting a full day of education, product demonstrations, catered breaks, exclusive offers, and 7 hours CPD.

All brought right to your doorstep.

And remember:

Your £30 ticket is fully redeemable against anything that catches your eye on the day. T&C's apply.

The WHW Grand Tour is your local, affordable, practical way to upskill - with a bit of fun thrown in.
